

*Trinity's Mission: We are a community of Christian disciples building pathways through which God's love is realized.*

## Imagine—from ordinary to extraordinary!

### The Fun

Trinity's Stewardship Team, energized by the wonderful church family dinners we hosted last January and again in September, invites YOU to an "Olde-Fashioned Sunday Dinner" on Sunday, January 27!

We will celebrate the meal together following our Pledge Celebration Sunday service that morning at 10:30 – that's right! We'll all worship together in one service and then enjoy a delicious Sunday Dinner together.

Trinity will provide the chicken – cooked in several of your favorite ways – and YOU bring the blue-ribbon sides – salads, vegetables, desserts.

here Tallahassee, such as The Shelter, Hope Community, and Neighborhood Health Center. Internationally, we support a mission base in Guatemala, and world and youth mission trips.

Trinity makes generous employer contributions to eligible employee's UMC 403b plans and pays for health insurance for full-time workers. It is a well-known fact that health insurance premiums have sky-rocketed and our provider is no exception. These items account for the increase in payroll expenses for 2013.

### The Facts – Capital Budget

This year, our proposed capital budget is about twice what it has been in previous years. We have been blessed over the last few years to have been the beneficiary of several members' estates. Those funds have been used for many of the projects and updates that have occurred over the last five years. Prior to that time, our capital budget was regularly set annually at \$100,000. Your Trustees Team has been very, very careful with these funds and has only requested \$30,000 the last few years.

This year, however, we have a major safety issue that must be rectified. Our current fire alarm system is more than 25 years old – at this juncture, we cannot buy parts to repair it anymore – it must be replaced. If this current system were to fail, we would have to close Trinity's Preschool and would likely sustain significant damage. The Trustees will be budgeting an additional \$33,000 for each of the next five years, to make payments on a low-interest loan/line of credit to purchase this system and other long-range cost saving improvements.

*Rev. Curry will be having a number of "Let's Talk" sessions throughout the month detailing the budget and answering any questions you may have.*

### The Facts – Operating Budget

On October 30, the Church Council approved the 2013 Budget as proposed by the Finance Team of \$1,637,046. For Trinity to have a fully balanced budget, we will need an additional \$132,000 in congregational pledges over 2012 giving levels. Trinity is extremely blessed to have had members with financial foresight, who created trust accounts that now serve to supplement our personal stewardship!

And over this last year, in addition to our pledged, budgeted giving, more than \$70,000 were generously contributed for designated outreaches such as; Hope Community's renovation, the Clothing Connection, the Guatemala mission trip, and for our sister church in Fomento, Cuba!

Trinity also participates with other United Methodist churches in Florida with budgeted giving in excess of \$152,000; we budget for local community agencies that serve the needy

All told, this outreach and mission giving makes up 13% of our budget. We hope this illustrates that our church has a commitment to tithe from our own budget, as we encourage our members to tithe from their incomes ... we cannot ask our members to do something that we would not do as a church!

The 2013 Budget includes funding for the SPRC recommendation of a 2% across-the-board pay raise for church staff. In fact, they insisted that Rev. Curry accept their mandate; he has not accepted a raise since his tenure at Trinity began in 2008!

# WAYNE'S WORDS

By E. Wayne Curry  
Senior Pastor

Dear friends,  
**Imagine!**  
**Ordinary People Serving An  
Extraordinary God!**

This is the theme for our 2013 Stewardship Campaign with everything culminating in an **All Church Celebration and Luncheon** on Sunday, January 27.

For 188 years, Trinity United Methodist Church has indeed been a place filled with ordinary people serving an extraordinary God!

Way back in 1824, ten ordinary people, six were white and four were black, met in the home of Mr. Myers and imagined the first Methodist Society in Tallahassee which became the Trinity Methodist Church. Throughout these many years, the ordinary people of Trinity have sought to be faithful in serving our extraordinary God. **Imagine!**

...through a Civil War, two World Wars, a great depression,  
...through thousands of saints who have come and gone,  
...through over 100 pastors who have preached from her pulpit,  
...through untold lives beyond her walls who have touched by her influence,  
...through the love, faithfulness and hard work of her members...

The ordinary people of Trinity have remained steadfast and strong because ordinary people imagined something wonderful and worked to make it happen!

And now it's our turn to make sure the legacy continues...to make sure there continues to be a strong church here on this corner for our children and grandchildren. So once again I unabashedly and without apology ask YOU...

...to **Imagine!** what Trinity can be when YOU pray for her every day;  
...to **Imagine!** what Trinity can look like when YOU are present in worship;  
...to **Imagine!** what Trinity can do when YOU give sacrificially to her mission;  
...to **Imagine!** what Trinity can influence with YOU share your unique talents.

In the weeks ahead you will have the opportunity to gather with your pastors and **Imagine!** together how we ordinary people can continue to serve our extraordinary God. — Check out all the pictures around the church of ordinary Trinity people in action. — Watch for short videos from ordinary Trinity people sharing their faith. — Go to our website at [www.tumct.org](http://www.tumct.org) and see ordinary Trinity people reaching out. — Fill out your pledge card when it comes in the mail in mid-January. Make a commitment to increase your pledge. Don't just do the regular, ordinary thing here! Do the extraordinary thing!

Plan now to come to the **All Church Celebration Service and Luncheon** on January 27th. Chicken will be provided and you bring your favorite side dish to share...a salad, a vegetable, whatever you think goes with chicken (not rutabaga!)...and/or a dessert. And, if it's special, bring the recipe and we'll put them together in a Trinity Cook Book!

It's going to be a wonderful, exciting, faith-building, church-building month!

This ordinary pastor is blessed to be in ministry together with the ordinary people of Trinity United Methodist Church serving our extraordinary God! Just imagine....

You are loved,

*Wayne*

# Music News for January

Mark Repasky  
Director of Music

## Chancel Choir at It's Best

"The Christmas Oratorio" presented by our Chancel Choir this past December 9 at the 8:30 and 11 a.m. services was truly special, both for the congregation and for the choir. We have a very talented group of singers here at Trinity, who provide music leadership Sunday after Sunday except for six weeks in the summer. Now and then it is good for the choir to learn a major work from the sacred classical music repertoire. How exciting it was to present "The Christmas Oratorio" as part of our worship services.

We trust it helped all who attended (including the choir) to really focus on the coming of our Savior which culminated in our Christmas Eve services. Do you sing? Perhaps you would like to join us! Rehearsals are 7:30-8:45 p.m. on Wednesdays.

*The Chancel Choir, along with a 5-piece string ensemble, recently performed the Oratorio by Camille Saint-Saën.*

## New **UM Women in Ministry** invites all women to "come check us out" at open house luncheon Jan. 8

Linda Yates  
UMW Communications

All things new—a new year, new officers, and new emphasis on ministry—will greet all women of Trinity as the recently restructured United Methodist Women in Ministry has an open house luncheon meeting Tuesday, January 8, in Moor Hall.

President Judy Levy invites all women of the church to come at 11:30 a.m. to meet current UMW members and learn about fellowship and ministry opportunities they may have through existing small group action teams. They will be invited to join an existing small group or become charter members of new action teams whose ministry focus interests them.

individual mission projects. Work on these will continue monthly but only four major luncheon or dinner meetings are

planned by the organization.

To make reservations for lunch, please call Nancy Kerce at 877-6546 by January 4.

*The leadership team for UMW was installed in December. From left are: Esther Harrison, treasurer; Nancy Waugh, secretary; Lynda Hanson, spiritual growth; Mary Ann Moore, missions; Terri Sue Aldridge, membership; Ruth Ann High, education; Maxine Mantoath, congregational care; Linda Yates, communications. President Judy Levy and vice-chair, Hillary Ryan were absent when photo was taken.*

## Rev. Curry will speak

The Rev. Wayne Curry will give a preview of the church's stewardship celebration and the 2013 budget at the luncheon that starts at 11:50. Following lunch, visitors and members are encouraged to view the posters and displays describing the focus and activities of old and planned small groups, and opportunities for service with each officer-coordinator's area of ministry.

The UM Women in Ministry organization will focus on alleviating hunger during 2012 and assist the small action teams in their
