Dear Jack:
My address has changed again so I wanted to let you know.
I appreciated your letter very much. I have seen one boy from Tallahassee and that was Major Tom Humphries. I only saw him for about thirty minutes but enjoyed talking with him that short while. I get to see Ruth Schman about every ten days. She is stationed near me with the Red Cross. We have talked several times about trying to get some of the boys together for a meal. I do hope we can as it would be good to see them.

If Roy Shuford is on the mailing list I wish you would drop me a card with his APO number. He has been over a long time and I would like to drop him a line.

Give everybody my best regards.
Yours truly,
D. Adams
