Dear Dr. Anderson;

It's been quite a while since I last wrote you and I thought it about time I did so again.

How is everything up there in Tallahassee? I guess by now all the boys between 18 and 20 are either in service or the long arm of Uncle Sam is resting on their shoulder.

I thought you'd be interested in knowing how much I appreciate the "Trinity Service Bulletin". I like to hear about all my friends and find out in some instances

where they are.

Have you played any golf recently? If so, how is your game progressing? I'd like to play you sometime when I get another burlough.

I'd like to let you know of my latest change of address:

Sgt. Edgar S. Anderson
Hq. and Hq. Company
2nd. Sig. A. W. Inf. Bn.
Drew Field, Fla.

I guess that's about all for now. Best regards to your family.

Always,

Respectfully yours,
Edgar Anderson
