Dear Dr. Anderson:

Just a few lines to find out how you are getting along and to thank you for sending the service bulletin to me down here. It is very interesting for the boys away from home to know where and how the folks and friends are.

Since I left there about two years ago I have had quite a few experiences, both bad and good and as a whole really enjoyed myself. It is a lot of encouragement though to look back on some of the pleasant times that were had there and to look forward to more after this is over.

Because of censorship regulations, I can't tell you anything of the place that I am in so there really isn't much to write about. Just wanted you to know how much I appreciate the bulletin that is being sent.

Please give my regards to Mr. and Mrs. Phillips, Mr. and Mrs. DeGraff and the choir members.

Sincerely,

*Edward Bradford*

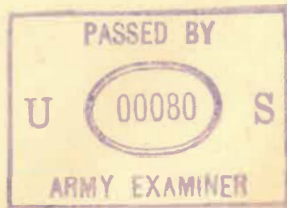

AFTER 5 DAYS RETURN TO
