

U. S. NAVAL AIR STATION
MELBOURNE, FLORIDA

To the Editor,

I receive the bulletin each month and really appreciate it. May I suggest that you send one to James W. Revell, Y^{3c}, U.S. Navy Board of Interior Control, Room 2732, Navy Dept. Washington, D.C. I've received every copy since I was in pre-flight school in Chapel Hill. I'm lucky enough to get 15 days leave around the 1st of October and will be around to see you folks.

Thanks!

Sincerely yours

Erwin Bradley

P.S. Bill Earnheardt is here too.
