Dear Brother Anderson,

I have been receiving my bulletins regularly and I appreciate them very much. My last one was delayed because of my change in address, but I got it O.K. Thanks!

It is a good thing because it is about the only way I have of knowing where my old friends are and what they are doing. I wish you would put my new address in the next one.

I appreciated the short note you wrote in my bulletin. It is good to know that some of the folks are still remembering me.

I am in aviation ordnance school now and will be here another 9 weeks. I have to get up every morning at 4:30 except Sunday. They let us sleep until 7:30 on Sunday. Our church services start at 9:30. We have a nice chapel and I enjoy the services very much.

Well I must stop now because I have to be in bed at 8:30 and it is eight now.

Hoping to hear from you soon,

Jack Bradley
