

Mt. View Hospital  
San Luis Obispo  
California

Dear Rev. Anderson,

We have a fat little  
brunette daughter of  
whom we're very proud.  
We are all doing fine,  
but I am anxious to get  
home as the hospital is  
45 miles from Camp Roberts  
and difficult for Richard  
to drive down.

Best regards. Jeanne Richard  
and  
Holly
