Dear Mrs. Harris -

We received your card informing us that our brother W. J. Burkitt enjoyed the hospitality of an open house at your church.

We wish you to know how very grateful we are that he is well <sup>and</sup> happy. He writes us often but that does not diminish the kindness of your card.

I sincerely hope that you continue this kindness to the families of other boys you entertain. It will mean a great deal to them. One of our Detroit women entertains in her home boys from England and then writes their families in England of her contact with them. She has never failed in receiving a reply of thanks from these families. Isn't it wonderful? Sincerely  
Mary Lesner.
