Col. Clyde M. Crowell
4th Calibration Det.
Army Air Base
Ft. Dix, N.J.

Dear Mr. Anderson:

After so long a time this soldier is writing. I've intended to write for some time but not being much of a writer I've kept putting it off. My folks'll tell you how often I write. It's not often enough - guess I should be ashamed of myself. I have some spare time but Grace has been with me & the first thing I do is rush to her.

I certainly have enjoyed the church bulletins sent me. They sure let a fellow

~~How~~ I don't know what's happened
to everyone of the fellows.
The army has moved
me around so much 'til
I don't know whether
I am coming or going.
First to Ft. Belvoir in
the Engineers, then to
Mitchel Fld. in the A. C.,
then back to Richmond Va
in the Aviation Engr., then
back up to Mitchel Field
in the A. C. & now I am at
Ft. Dix in the A. C. I
wish I understood all
I don't know about it or
something. I only asked for
one of the transfers.

I didn't know this
Charles Hutton but I
was going to look

him up. It happened
that we were taking over
the sleds of his outfit
& he'd just pulled out.

I am preparing ~~an~~ an
application for O. C. A.
& would appreciate it
very much if you
would send me a letter
of Recommendation, in
triplicate.

Hope to hear from
you soon.

Cyde
