Fortun Base, W. K.

Dear Bulletin

For nearly three years now  
I have regularly received the Bulletin.  
It just occurred to me that I  
have never voiced my thanks.  
allow me to do that now.

I notice in the Oct. issue  
that you have Connie McCar  
listed as a fighter-bomber pilot.  
Correction please. He is a B-17  
pilot in ~~the~~ same group as I.  
We see each other most every

day and as usual Tally is our  
favourite subject. Possibly your  
mix-up resulted from the letters  
he wrote from Russia, during  
the shuttle-bombing. We pulled  
those rails together. Meanwhile  
mission, I hope we can tell the  
home town of in the not too  
distant future. Connie is not to  
far from being through with  
his first term and I am about  
that way on my second.

Sincerely,

George Gray
