Dear Friends:

We wish to thank
you for the picture of the
group of service men taken
before your church Jan. 30.

We think this a
lovely idea, one which
must bring happiness
to many homes through
out the land. It did to
us, coming so unexpected-
ly. We appreciate the

picture greatly, and the
kindly thought which
prompted its sending.

Sincerely,

Mr. & Mrs. D. L. Evans

(Parents of Lt. R. B. Evans.)
