Dear Jack,
your good letter came and I was glad to hear from you. I am sure you will have a great Annual Conference. I would like to be there but don't see much chance now. I hope to get home before Christmas.

I expected to get my first leave in two years to visit Holy Land for a few days but have not heard anything from it since Palestine was re-opened. The real Holy Land to me is home - Florida sand, S.C. clay where I was born and rocky hills of W. Va. where my family is now.

Capt. Torrence of my regiment, who knew you at Norris Dam, Tenn., has asked about you. He is well and getting ^{dry} fine in his work.

I am feeling fine, busy as a station preacher and circuit rider. Give my friends at Conference my best wishes. I look forward to seeing you all and better days of peace and brotherhood in the world.
Harvey -
