Dear Sir,

I have been receiving the monthly paper that you send to all the service men from Tallahassee. I allways enjoy it because, it brings news of all the other fellows that I know.

You have been addressing the paper to an old Sgdn. to which I used to belong and, from which I have been transferred. I have received all the papers but they are allways late in getting to me.

I am in an anti-Submarine Sgdn. now and, my duty is that of a tail gunner. We are expecting to leave the United States soon, but I will continue to receive the

paper if you allow it to my
address now.

Thanking you again for the
paper.

Sincerely yours,

S/Sgt. Charles K. Hatten
