

10/29/44

Just a line
to tell you
how much we
enjoy your bulletins,
haven't missed one
yet + hope I don't.
You can tell Joe
Campbell, that I can
agree with him on
the 10 gallon hats.
They wear here + in
Jalisco, too, but for
goodness sake let's
forget about these
hats they wear
out here.

Yours truly
E. P. Howard.
