Dear Sir:

In regards to the Monthly Service Bulletin, I would like to have my address changed as follows:

John W. Stafford, Jr.  
2nd Lt. 870<sup>th</sup> C.F.A. Bn.  
A.P.O. 454  
Camp Blanding, Fla.

The Service Bulletin is one publication that I look forward to, every month.

For your information, Cpl. Ruben Capelouto is now at O.C.S. in Ft. Sill, Okla. A lot of Service Bulletin readers might like to know how "Cappy" is doing.

Congratulations, for being able to send the Bulletin to the boys overseas. You'd really be surprised how interested, in this Bulletin,

are all of the fellows, I  
know.

Those messages, at the end  
of each bulletin, really let  
everyone know just how the  
folks "back home" are pulling  
for them.

Keep up the good work —

Very truly yours,

Bill Hayward
