Dear Mrs. Thompson,

Just a line to tell you how much I am enjoying the Bulletins that you sent - they seem to come through quite well, and the news is most interesting. I have No. 7. now.

From what I hear, Tallahassee is terribly crowded at the moment, and I imagine your Church is also.

I trust that you and O.B. are enjoying the best of health, and will find time to drop me a line real soon.

With best wishes.

I am,

Sincerely yours,

*H. N. Kirkman*
