

SERVICEMEN'S PIER & BRANCHES — MIAMI BEACH, FLORIDA

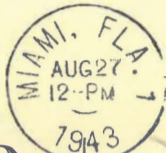

Dear Reverend Jack,

I have been getting your paper from Tallahassee telling all of the news about our boys in the service and I appreciate it very much. Possibly you realize how we feel about being away from home. But I don't think you can imagine just how much it helps us to get along. By hearing how our Buddies are doing. I am doing swell myself, and I think there is nothing like the Army Air Force and am really enjoying myself.

Yours truly
Aquila Marshall
