Dear Rev. Jack:

I wish to express my thanks to you and those people who take part in the distribution of the Service Bulletin. It is the only means I have, at present, of keeping up with my friends and activities at home. I am happy to be included in its mailing list.

I see that Ralph M. Gray is stationed at Pensacola, so you, by chance, have his complete address. He is a very particular friend of mine.

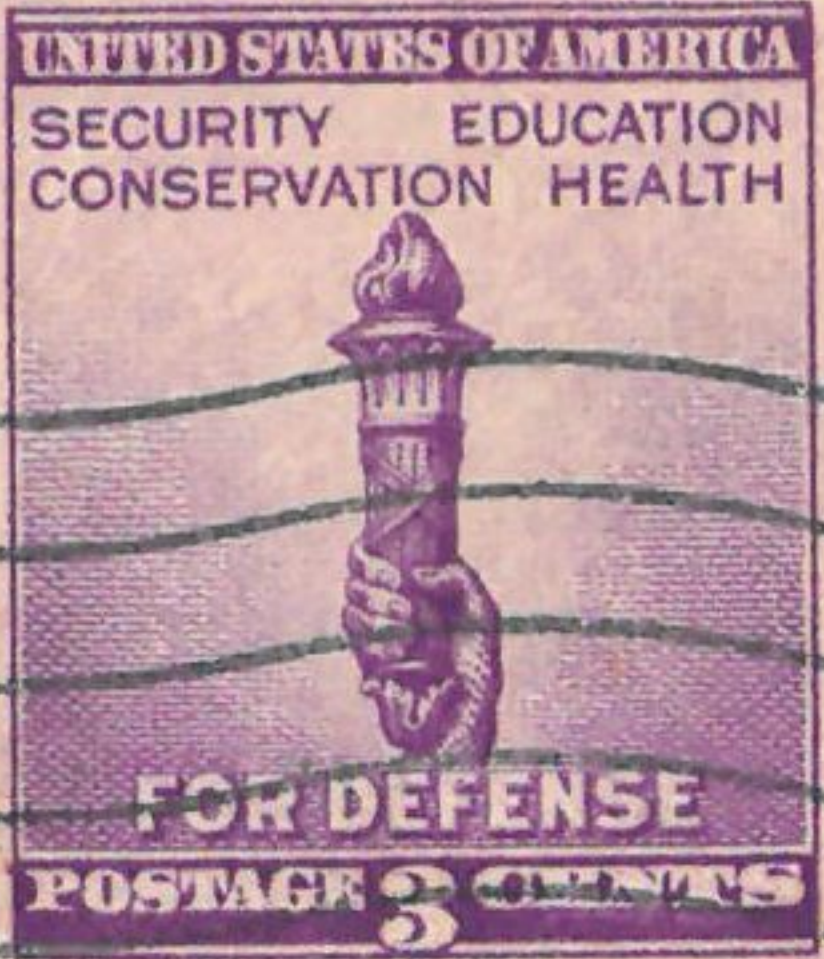

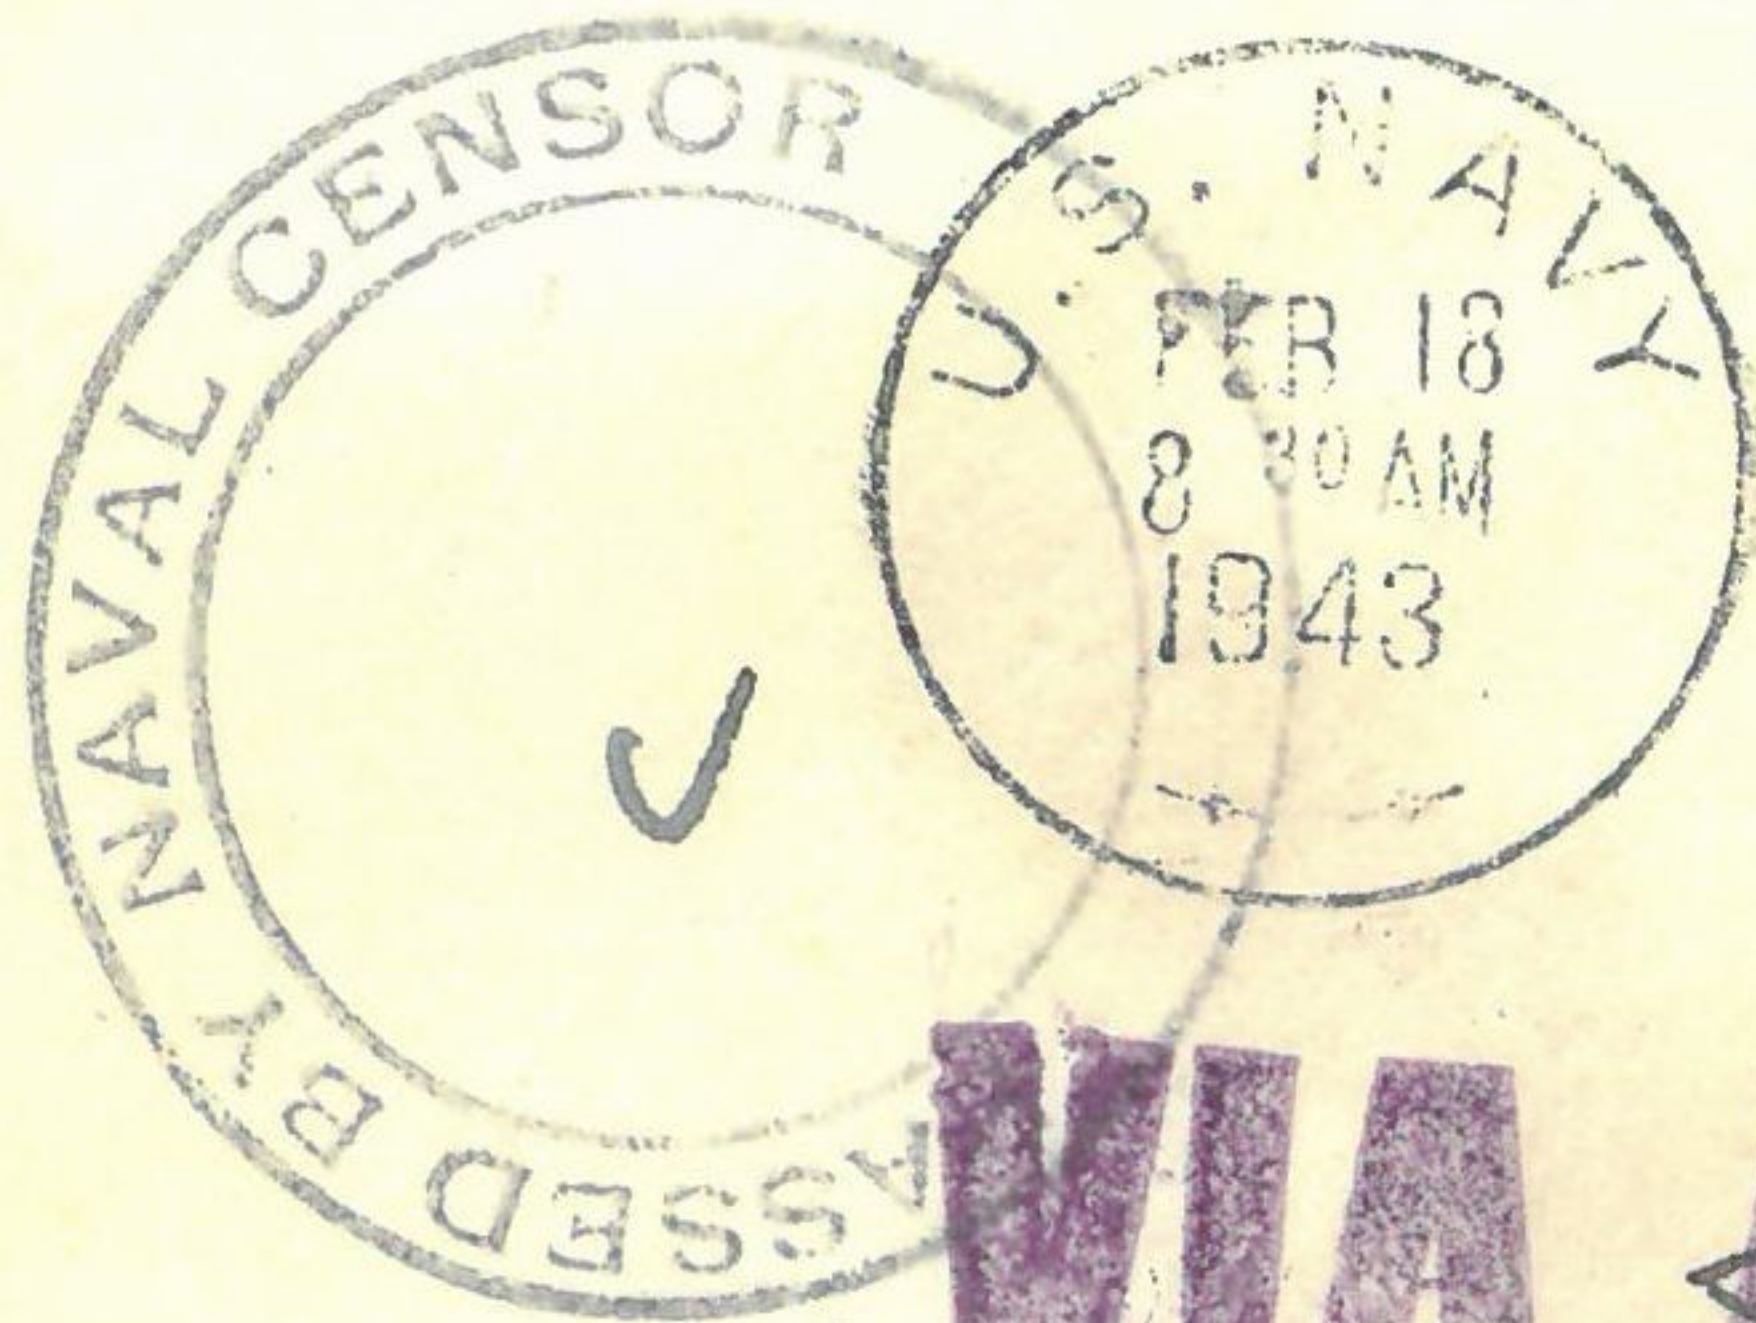

Since my skill along this line is extremely limited I quit.

Sincerely
Bill
