Dear Sir;

I wish to express my sincere feelings of gratitude to the Trinity Methodist Church for the Service Bulletin. I have been receiving the Bulletin for about three months. It is really a pleasure to get them.

I guess I should have showed my appreciation sooner by a letter or a card. To tell the truth, I didn't know to whom I should address it to. I am just sending this to the Church proper. If it is addressed wrong I would like very much to get the correct address.

It is a real pleasure to get the Bulletin. It kind of gives a fellow a feeling that he is close to all the men he knew at home.

I am working with the

weapons section here. My group tries  
to show the fire power of a squad and  
how it may be used in combat, range  
estimation, target designation, and etc.

Again I would like to say  
"thanks" for the Bulletin.

Respectfully yours,  
Freeman M. Moore
