I want to acknowledge receipt of your bulletin which arrived yesterday. Needless to say, I enjoyed it immensely and was delighted to read about people from the old home town.

I am stationed in a small English town located in a beautiful countryside. As yet I haven't run into anyone from Tallahassee; the nearest Floridian whom I have seen was from St. Johns.

I am in a Medical Clearing Company and you may tell the boys by means of the bulletin that we will take the best of care of them should the necessity arise. They can count on us.

Please send the bulletin to me at the above address.

Many thanks,
George Palmer
