Dear Friends of Dallasarea:

I wish to express my appreciation for the copies of the monthly Service Bulletin which I have received for the past few months. I shall always be interested in the people of Dallasarea and vicinity as I have been a resident of Leon County for a period of 21 years and hope to continue living there after the war. It is a special pleasure for me to receive news concerning the men in the service as many of them are listed among my best friends.

For the past ten weeks, I have been stationed here at Truax Field. I am enrolled as a student in the Technical School and am getting along fine. I expect to leave here and attend an advanced school somewhere in the Southwest.
