Dear Reverend Anderson:

We have been receiving the "News Bulletin" that the church issued for the past 5 or 6 months, and Jesse & I would like to let you know how much we enjoy it. We especially enjoyed the issue that told about the graduating "class of 1934" as that was our class.

Since my mother and dad (Mr. and Mrs. E. G. Stahmann) are in Key West, Fla. we've been short on news from Tally - but the bulletin makes up for it.

Mother and Dad spent a week with us up here and we thoroughly enjoyed seeing them, as it had been over a year since I'd seen dad.

This transfer here is about our 19th transfer in 2 yrs. It doesn't bother our 20 mos. old boy, Georgie. He seems to thrive on it. We like Raleigh just fine & hope to stay here a few months.

In your Dec. issue, will you wish all the boys a "Merry Christmas" for us. And thank you so much for sending us the "news".

Our best regards to you and your family.

Sincerely,

Dot Stabmann Parker

(Capt. and Mrs. Jesse W. Parker)
