Monthly Service Bulletin

Dear Editor,

I just received my copy of the Bulletin and thought I would drop you a line and tell you how much I really enjoy it. Although I receive mail from home quite frequently, I always find something in the Bulletin that interests me, and news that I would not otherwise hear about.

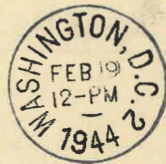

I am stationed here in Washington, temporarily, awaiting orders for Naval Aviation Cadet Training. Been waiting for five months and think I will go in May or June.

Have seen quite a few people here from home and certainly makes one feel good. Guess I will close now, but would like to thank you again for the Bulletin.

Sincerely yours,
