Dear Friends:

I am at a loss to name an addressee and so will make it all inclusive, especially for those who send the Monthly Service Bulletin and who send the pocket bible - Indeed I am indebted to all of you.

My address has been changed and I would appreciate the same being recorded on your list or file -

The Armored Force, especially this Division since my transfer into it has kept me away from Dallahassee except for a couple of rush visits but I will call when next I come -

We have a wonderful Chaplain Service in this Division, and the Red Cross is doing a wonderful job too - All personnel in good shape -

Thanks again for the messages and contacts which you keep up -

Sincerely,
Scott Reynolds
