Mr Anderson  
Pastor Trinity Methodist Church  
Tallahassee, Florida

Dear Mr Anderson:

Have intended writing you for some time but seems I stay too busy. I am stationed here at Melbourne Naval Air station as an Assistant Navy Mail Clerk. We have a nice base with real nice officers. The town is small but the people are friendly and try to make the service men feel at home. They welcome us into their organizations and especially the churches. My wife and Baby are here with me and we take advantage of the services offered here in the Methodist church. Mr Vanderwater is a good pastor and devotes a lot of his time to the service men in this district.

I would appreciate getting a bulletin from the church there at home as we do not hear very much real news from there.

Sincerely,
