POST CARD

Dear Mr. Partridge:
Apparently Uncle
Sammy has decided
I should be a
radio technician,
for he's sent me
here to Scott Field,

Made in Atlantic City - Jersey Supply Co.

Mr. B. W. Partridge,

where I'm to start studying radio
next Monday. While there are no
ocean breezes and no boardwalks, this
is still a wonderful place — I
like it.

I enjoyed the August Bulletin, and am
awaiting the next with interest,

Sincerely yours,
Jimmy Shaw
