Dear Jack -

Just a short note to let you know that I am back in Virginia. I enjoyed very much my recent visit home, and especially the meeting at the church. I think the church is very wise to get such a program underway now.

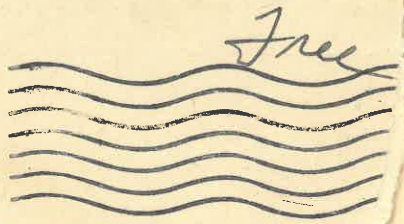

Since you have been in Tallahassee, circumstances have prevented me from taking an active interest. I hope that circumstances in the future will be kinder to me in that respect. My sincere thanks for your letter that I received shortly after Christmas. It was my second Christmas away from home, and I don't think I'll ever get accustomed to it. I purchased one bond while at home and ~~and~~ enclosed check \$37<sup>50</sup> for purchase of another bond - my best wishes to you and yours - Sincerely yours,  
Pearl Kelly
