

UNITED STATES MARINES

February 17, 1943

Dear Dr. Anderson,

I am making application for officers candidate school here in the Marine Corps and I wonder if you would be so kind as to write for me a letter of recommendation? The government prefers that these letters be written by men in the community who are in a position to know the applicants character and leadership qualifications, therefore I've written to you. The letter need only be addressed "To whom it may concern" and sent back to me.

I've been serving the church

paper quite regularly and have really enjoyed it. Life here in the Marines is quite exciting and very interesting but I will certainly be glad when it's all over.

Thanking you for your kindness and consideration, I remain,

Sincerely yours,

Sam E. League, Jr.
