

Camp Shelly Miss
April 12 1943

Dear Brother Anderson.

I received the nice copy of
the Upper room and the Church Bulletin
and I wish to thank you for them
for it is good to the spiritual body for
ever God said man can not live by
bread alone and it true. As I have
told some of the boys about taking
God name in vain. There may
come a day when he will call on
God to save him in the field of
battle. And I wish to thank you
for having that book sent to me and
may God our father keep you
and preserve you that your soul
and heart may be true and faithful

in Gods service till your
journey is complete. I go into
Hattusung miss to Church some
Sundays and I heard Bishop Hughes
Preach in a Revival there a few
weeks ago.

Well again Rev Anderson
I wish to thank you for the upper
room and may God bless and keep
you for his Glory.

your brother in Christ
